

AMENDMENTS TO THE SPECIFICATION

Please replace reference designators in lines 19-21 on page 13 as follows:

The diameter of the plane rear side ~~55a~~ 15a of the lens ~~55~~ 15 preferably essentially corresponds to the thickness of the planar optical circuit.

Applicant respectfully submits that the requested amendment to the specification does not comprise new matter. Support for identifying the plane rear side of the lens with reference designator 15a may be found in FIG. 3 and in the specification on page 12a line 1. Support for identifying the lens with reference designator 15 may be found in FIG. 3 and in the specification on page 13 line 3.
